Testimonials From Some of Our Satisfied Customers

1. **Greg Enright - Accountant - 2005**

I chose Ballina Pool Shop to build my Concrete and Fibreglass Swimming Pool in 2005.

This decision was based upon their good reputation and the fact that they have been operating for many years.

The Pool they built was excellent and was completed on time and within budget, and has stood the test of time with it being as good today as when it was first built.

I therefore have no hesitation in recommending them to build your pool.

2. **Roly Murcott - Paramedic - 2009**

Ballina Pool Shop was recommended to me by a friend.

The Construction Process, Communication, Professionalism and Back Up Service have been great. I am still using the Shop for free Water Testing and Support.

3. **Gavin Ronchi - Builder - 2010**

My Fibreglass Pool was delivered on time and to the Highest Standards. The quality of the Fibreglass Pool was second to none. The large range of Shapes and Colours and knowing I am backed up by a Reputable Local Company made my decision easy.

4. **Sean Bishop - Real Estate Agent - 2010**

We love our Pool and would have no hesitation recommending Ballina Pool Shop to all our friends.

They kept in close contact with us, were happy to make any changes we wanted and delivered us a pool we will enjoy for many years to come.
